DETAILED ACTION

Claim Objections

Claims 3, 5, 7, 12 and 14 are objected to because of minor informalities. The Examiner notes that the changes proposed by the Attorney of Record, Michael D. Schwartz, during a phone interview of Dec 20, 2007 are acceptable to the Examiner. These changes are not listed in this action for brevity but must be submitted in the response to this action.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 7 and 12-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 7, the definition of the targeting guide in line 16 after the first recitation of "the targeting guide" in line 10 makes the claim confusing since the recitation of structural elements is out of sequence.

It is also noted that the recitation "the targeting guide" in line 10 lacks antecedent basis.

Appropriate correction is required.

Allowable Subject Matter

Claims 10 and 11 are allowed.

Claims 3-5, 8 and 9 would be allowable if the minor objections made in this action are overcome.

Claims 7 and 12-15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
